Isabel and the Magic Jewelry Box Feb 26 2023 "Her legs tensed, ready to leap back. She arched her arm up as far away from the box as she could while still lifting the lid. As she lifted the lid, her mouth fell ajar, slack-jawed with astonishment. With uncharacteristic courage, Isabel confronts a crossroads between two universes and the dangers lurking near the mysterious portals. God's Jewelry Box Jan 16 2022 God must love jewels. After all, He created them. Heaven is God's jewelry box containing endless supplies of all gems and treasures found on earth and even more yet to be discovered. There are hundreds of verses in the Bible dealing with over 50 jewels and precious stones. The KJV Bible has an amazing 1,704 references to gemstones and minerals. Seventy-two verses are about

treasures, and twenty-four verses speak directly about jewelry. God refers to His people as jewels in a crown that sparkles. The G.A.L.S. began thinking about the connections between their jewelry and God's Word. Stories with spiritual applications flowed from their jewelry boxes as they dug through their trinkets. Wanting to inspire others to look through their jewelry boxes and find spiritual connections, they created a separate journal called WHAT'S IN YOUR JEWELRY BOX? which is destined to be a legacy gift for your future generations. More heavenly nuggets were found as the G.A.L.S. dug even deeper into God's word. They discovered the study of the jewels and treasures is and fascinating and important to end times. For a more in depth look of the gems of heaven, they created a Bible study entitled JEWELRY GEMS, which comes with a leader's guide. Read, study, and reflect about the jewels of heaven and you will stand in awe of our creator and the way He plans and orders every detail of life and eternity.

Nena has never understood her parents' separation and simply cannot fathom her mother's less than enthusiastic attitude toward a father/daughter reconciliation. Nena's need to see the father she barely knew forces Elly to confront her painful, and often complicated, past. Growing up in a tight-knit -but often suffocating- Greek immigrant community, the adolescent Elly often clashed with her intensely conservative parents. The customs and moral values of the Greek minority lifestyle that her parents forced her to observe left Elly feeling trapped in an identity she could never truly call her own. Then she meets Perry, a handsome Greek immigrant with whom she is instantly smitten. As a teenage bride, Elly welcomes the chance to escape her parents' rigid household. However, as Perry's patriotism and obligations come to light, Elly quickly discovers that she has simply traded one form of frustration for another. Her marriage to Perry rapidly

dissolves, leaving Elly a single mother and more resentful than ever of her Greek heritage. But will her daughter's desire to reconnect with her father lure Elly back to Greece? Enjoy this heartwarming tale of Elly's struggle to find her place in the world.
