Secret Maneuvers Apr 06 2021 Ex Ops Series: Second Chance Romance with a hint of Suspense Some mistakes from the past haunt us forever... unless fate steps in with a second chance. One 'Dear John' letter haunted Bobby Baker's every living moment. It was the letter he'd stupidly written to his high school sweetheart, Belle, right after he had left to join the Army. The letter in which he'd told her that he wasn't so sure they were ready for forever yet. Before he could let her know that the letter, and his second thoughts, were nothing more than a mistake, she disappeared from the small Georgia town they had both been raised in. Fifteen years after the letter, Belle unknowingly walked back into Bobby's life when her job as an ATF Agent forced her to work with a group of men secretly headed by the CIA to help her track down whoever was involved in funneling black market weapons to a drug cartel in Mexico. Bobby planned to use this mission to try to soothe Belle's hurt feelings while proving to her that their love was meant to be forever. He would use every dirty trick he'd learned since he had joined the Army to maneuver her back into his life for the long haul. Belle was not making it easy, though, as she continued to keep him at arm's length in the hopes that mistakes of her own would never come to light.
