the Donut Hole Cozy Mystery Series Book 6 - Mint Chip Murder When a local hairstylist is bludgeoned to death inside her own salon, questions abound for Heather who wants to know who murdered Kelly Carlson, and why? Was the murder premeditated, or spur-of-the-moment? Was the killer someone Kelly knew? Why are the police being so quiet about it? With little to go, Heather is on the hunt for answers. But will her biggest clue come too late? Book 7 - Red, White and Blueberry Murder When Heather Janke hears that her oldest and most faithful customer, Eva Schneider, has been bonked on the head and is in hospital, she's shocked to the core. Especially when she discovers one of the main suspects is her newest assistant, Ken. With nothing but her eccentric puppy dog, Dave, and her burning desire to help put Eva's attacker behind bars, she sets out on another sleuthing endeavor, determined to find the truth. But Heather has more to deal with than just the case: she has to balance a busy Donut Delights with the busy season in full swing, as well as the plans for her impending nuptials to her handsome detective fiancé, who is less than impressed with her extracurricular activities. Heather must get to the center of the mystery, but this one might turn out to be deeper than a donut hole. Book 8 - Lemon Chiffon Murder When Heather Janke hosts her engagement party in Paris, France, the last thing she expects to find out is that one of her guests has been poisoned by one of her donuts. She's overwhelmed with grief, particularly when she finds out that the suspect is Angelica, her faithful assistant and friend, who flew all the way out to France to help her with her wedding. With the wedding only days away, and no help from the French police, Heather sets out to clear Angelica's name and save her from imprisonments. But Heather has to contend with the press, a particularly nosy - and cheesy - *maître d'hôtel*, and the constant battle to stay on top of affairs while her wedding date draws closer and closer. Heather must figure out who poisoned her beloved lemon chiffon icing, but the zest might be too sour for her to handle this time around. Book 9 - Chocolate Tiramisu Murder When Heather Shepherd has a run-in with a rude Italian actor on the first night of her honeymoon, she thinks nothing of it... until his body turns up in one of Venice's canals the very next day. She's horrified, even more, when an Inspector comes knocking with questions for her and her newlywed husband. Heather decides she won't let an impending arrest ruin her honeymoon, and with Ryan's help, she sleuths her way from the kitchen of the hotel all the way to the top of entertainment in Venice. But Heather has to balance her honeymoon festivities with the case, and the harder she digs for the truth, the muddier the mystery becomes, thanks to a cast of eccentric and rather infuriated Italian suspects. Heather must discover the truth, before the sweet coffee glaze on the donut that is her Honeymoon, dries out and she's left with nothing but questions. Book 10 - Rhubarb Frosted Murder When Heather Shepherd arrives at Amy's boyfriend's house, the last thing she expects to find is Kent unconscious and a new murder to solve. But that's exactly what happens, and things only get worse when it's revealed that Amy is the prime suspect and Kent has amnesia. With nothing but her Rhubarb Frosted donuts and her keen sense of adventure, she determines to solve the case before the killer can strike again. But the closer Heather gets to the truth, the worse Amy's behavior becomes - her paranoia is at an all-time high. Heather must choose: delve into the donut hole or leave this case as uncooked batter - either way, there's a mystery to sleuth, and this one is the trickiest so far.

Coup de Glace Jan 23 2020 From USA Today Bestselling Author, P.D. Workman! A cold case for Erin! The trouble with solving murders in a little town like Bald Eagle Falls is that everybody knows about it, and then they expect you to solve their cases too. When Bella brings a new—or rather a cold—case to Erin, she protests that she is not a detective. But Bella really needs her; how could an old woman just have gone missing without anyone following up on it? How could they just accept Ezekiel's assertion that his wife was fine and she was just off visiting. Eventually, that excuse must have worn out. Meanwhile, a blast from Erin's own past—a foster sister Erin would rather not see again—shows up, bringing with her another set of complications. Not only is Erin creating frozen treat, but she is helping Bella with a cold case this time. (Yes the author did the play on words, not me). This cold case is interesting since no one is around to help figure out what happen. None of my theories as I was reading came anywhere near being close to what happen.
